

Bartholomew Consolidated School Foundation Grant Showcase

Wednesday, June 24, 2009

9:00 to 11:30 a.m.

Center for Teaching & Learning—Computer Lab 1614

This information session will address the strategies of a well-written grant for the school foundation. A panel of former winners will describe their grants and share success stories.

Participants will also investigate other resources for teachers to use in fulfilling the ever-demanding role of the educators to provide additional tools to make the students' experiences in the classroom more authentic and successful.

Participants will become familiar with *Donors Choose*.

BRING WITH YOU:

- Ideas for grants
- Websites for sources that you wish to share with others

This discussion is appropriate for all
K-12 Educators and Administrators.

This workshop is a collaboration between BCSF and the CTL.
All educators are welcome.

Ask questions or share ideas prior to the workshop with
Janice at montgomeryj@bcsc.k12.in.us
