Differentiated Instruction

Maximizing Student Success

Grades K-12: 9:00 a.m. to 12:00 p.m.

Differentiation:

Simplified, Realistic, and Effective

This practical session demonstrates a realistic approach for implementing differentiation while respecting teacher preparation time. Learn simple-to-use strategies, transferrable activities and materials that challenge and engage students.

Grades K-8: 1:00 to 4:00 p.m.

Differentiating Instruction for Gifted Students in Mixed-Ability Classrooms

This session matches differentiation strategies to the learning needs of advanced students and models specific techniques to lift students' accomplishments through abstract thinking, complexity, and content depth. These techniques simplify management and teacher preparation.

ABOUT THE PRESENTER

Dr. Bertie Kingore

is an international consultant who has worked with students, their teachers, and their parents for over 30 years.

Kingore is recognized for her humorous, high-energy presentations that leave teachers revitalized and eager to implement practical ideas.

Kingore is the author of articles, instructional aids, and 24 books on education.

Dr. Kingore has received many honors, including the Outstanding Alumnus Award from the University of North Texas where she earned her Ph.D.

Dr. Kingore is a past President of the Texas Association for the Gifted and Talented and was recognized as the Texas Gifted Educator of the Year.
