

What: Macmillan/McGraw-Hill Language Arts Summer Professional Development
When: August 10-11, 2009
Where: Central Middle School: Library - Content, Computer Lab - Technology

BCSC is offering two days of professional development for many components of the Macmillan/McGraw-Hill series, including technology. The corporation has arranged for two days of training that will include a correlation to the new Macmillan/McGraw-Hill Social Studies materials.

Half-day LA content:

- Weekly planning, managing the series
- Small group work, stations and rotations
- How to pick and choose
- Writing component
- Assessments - when, frequency, manage with large class sizes
- Correlation to Social Studies materials

Half-day technology:

- Online components
- Text online
- Modify tests
- Incorporate technology into everyday use
- Quickly access materials
- Buggy Software

SCHEDULE: (Click on the workshop link below to register)

	8:30-11:30	12:30-3:30
Monday 8-10-09	Primary - LA content	Intermediate - LA Content
	Intermediate - Technology	Primary - Technology
	8:30-11:30	12:30-3:30
Tuesday 08-11-09	Primary - Technology	Intermediate - Technology
	Intermediate - LA Content	Primary - LA Content

Sessions offered on Monday and Tuesday are identical. Select the dates and times that fit your schedule and [register on-line](#) through the Center for Teaching & Learning at www.columbusctl.com. Registration instructions are also available at www.columbusctl.com

We hope these two days will help kick off the new-year with our language arts materials. Please contact Ruth Shipman with questions or concerns - shipmanr@bcsc.k12.in.us
